

# Nano4inno

2010

---

Nanotechnology and New Materials for Business Innovation  
27th September / Prague / Czech Republic

# Agenda

Monday / 27th September 2010

- |       |   |
|-------|---|
| 9.00  | Registration and coffee   |
| 9.30  | Opening and Welcome<br>Karel Klusáček (Director, Technology Centre ASCR, Czech Republic)  |
| 9.40  | Nanotechnology and materials in FP7: 4th call<br>Renzo Tomellini (Head of Unit Value-added materials, DG RTD, Directorate Industrial Technologies, European Commission)   |
| 10.10 | Nanotechnology for Bio-Applications<br>Andre Skirtach (Max Planck Institute of Colloids and Interfaces, Germany)  |
| 10.30 | Bioceramics as a regeneration platform<br>Ian Brown (RepRegen Ltd, United Kingdom)  |
| 10.50 | Trends and innovations in nanotechnology and materials<br>Mark Morrison (Institute of Nanotechnology, United Kingdom)   |
| 11.10 | Nanotechnologies for sustainable energy applications<br>Bertrand Fillon (CEA LITEN, France)   |
| 11.30 | Nanobiophotonics: Challenges and Opportunities<br>Vinod Subramaniam (University of Twente, The Netherlands)   |
| 12.00 | Networking Lunch  |
| 13.00 | NMP structure and NMP Team for your FP7 project<br>Gabriela Salejová, (Technology Centre ASCR, Czech Republic)  |
| 13.20 | Impact of EU research projects on business results<br>Rudolf Fryček, (AMIRES Sàrl, Switzerland)   |
| 13.40 | HTA – Alliance for nanotechnology and material innovations<br>Andre Perret (4-Labs, Switzerland)  |
| 14.00 | SME-led Composites and NanoComposites Projects<br>Gordon Bishop (NetComposites, United Kingdom)   |
| 14.15 | Introduction to the parallel afternoon sessions<br>Organizational issues relevant for successful running of the afternoon sessions  |
| 14.30 | Coffee break  |
| 15.00 | Afternoon session with 5 minutes presentations of projects in preparation<br>The topics will be clustered as follows:<br>Nanoparticles, nanostructures and membranes, Health application, Safety aspects, Characterization tools, Electronics and photovoltaics, Construction and housing, Other applications, Modeling |
| 16.00 | Parallel networking and bilateral meetings<br>Organized by the Enterprise Europe Network Czech Republic   |
| 18.00 | End   |

The seminar and Partnering brokerage event are supported by the Ministry of Education, Youth and Sports through the EUPRO Programme, project No. OK09002.
