

Technology Centre Prague
in cooperation with Charles University and Expert Group for supporting ERC applicants
(common initiative of Charles University and Czech Academy of Sciences)
are pleased to invite you to the

National Information Day on ERC grants

The event aims to explain the *raison d'être* of the European Research Council (ERC) grants as well as the rules for participation, proposal structure and evaluation process according to the 2024 ERC Work Programme. The Information Day is focused on Czechia-based future ERC applicants, project managers and administrators as well as high-level representatives of Czech universities and research organisations that wish to learn more about ERC projects.

Date: 15 November 2023, 9.30 – 16.30

Format: on-site

Venue: Vlastenecký sál, Charles University (Ovocný trh 5, Prague 1)
